

ICM International Year One (UTP Stage II)

Agricultural and Food Sciences Program Planning Guide

ICM will provide, upon request, information through a communication support or accessible format.

Planned Major at UM: _____

Type of Course	Course Code	Term	Credit Hour Value	Letter Grade Earned
Required by ICM	ILS		0	
Recommended Course	ABIZ1000		3	
Course				
Course				
Course				
Course				
Course				
Course				
Course				
Course				
Course				
Total			30 cr hours	

- Students should apply to the **UM at the beginning of their second-to-last semester** at ICM, prior to completing 30 unique credit hours:
- To complete ICM 30 unique credit hours with Best 10, 2.0 is required (does not include failed/repeated courses).
- UM Admission GPA required: Minimum 2.0 AGPA* to be eligible.

Credit hours completed	Credit hours dropped
0-29	0
30-59	6
60+	12

*Calculated using all post-secondary course work including original grade of repeat courses.

- CGPA includes all failed and/or repeated course
- Intakes are available in Fall and Winter Terms. Admission to the Winter term is on a space available basis only.
- Students must complete a minimum of 24 credit hours by the end of April, with 30 unique credit hours completed by the end of August of the application year. Students who need to complete courses during the Summer Session for the Fall intake and Fall Term for Winter intake to meet the minimum credit hour requirement will only be considered for admission on a space available basis after all other eligible students have been considered.
- If the number of eligible candidates exceeds the available spaces, an adjusted grade point average higher than the minimum may be required for admission.
- You can review [UM First Year Planning Guide](#) for first year program planning
- You can review [Admission requirements](#).
- Check [UM Academic Calendar](#) for degree requirements.

ICM International Year One (UTP Stage II)

Agricultural and Food Sciences Program Planning Guide

ICM will provide, upon request, information through a communication support or accessible format.

Faculty Advisors can be reached at email: aginfo@umanitoba.ca

Program available at Agriculture

- ☐ [Agribusiness, B.Sc.](#)
- ☐ [Agroecology, B.Sc.](#)
- ☐ [Agronomy, B.Sc. - Agriculture](#)
- ☐ [Animal Systems, B.Sc. - Agriculture](#)
- ☐ [Food Industry Option, B.Sc. - Human Nutritional Sciences](#)
- ☐ [Food Science, B.Sc.](#)
- ☐ [Foods Option, B.Sc. - Human Nutritional Sciences](#)
- ☐ [Nutrition Option, B.Sc. - Human Nutritional Sciences](#)
- ☐ [Plant Biotechnology, B.Sc. - Agriculture](#)

Please visit the [website for more program options](#).

As announced by IRCC (Immigration, Refugees and Citizenship Canada), starting November 8, 2024, students must be enrolled in the designated learning institution (DLI) named on their study permit. To transition to UM, students will need to obtain a new study permit with the UM's DLI included by applying to extend their current one. Information about this process can be found on the [IRCC Website](#).

Additionally, ICM works with an Immigration Lawyer to provide a variety of immigration-related workshops and one-on-one consulting sessions to students, including sessions on how to apply to extend a study permit. Students will receive notice of these events through student communications and via Student Portal.
