

Extended International Year One

Program Planning Guide

This program is designed for international students who meet higher academic standards than our Foundation (UTP Stage I) program but aren't quite ready for International Year One (UTP Stage II). Students will complete one term of Foundation courses with the necessary grades and then move straight into their International Year One (UTP Stage II) program – getting them to their degree faster than if they started in Foundation.

Students are required to successfully **complete four (4) courses and ILS** during the **Extended International Year One** program with a minimum standing as specified for each pathway.

These courses have no credit hour value and do not transfer to university programs; grades from these courses are not included in university grade point average calculations.

Students will take **MTH 099** or **MTH 103** depending on their Math Placement Test.

- **MTH 099** with a **minimum grade of C** is a prerequisite for MTH103.
- **MTH 103** is pre-requisite for all International Year One (UTP Stage II) Math, Biology, Chemistry, Physics and Engineering courses. Please see the ICM course description for the minimum prerequisite requirement for each course. Some students would be required to take both MTH 099 and MTH 103 depending on their Math Placement Test.
- Students who are intended to transfer to Faculty of Arts, can take MATH1010. They will not require to take MTH099 or MTH103. Please see a Student Success Advisor to discuss this option.
- **CHM 100** is pre-requisite for UTP II Chemistry and Engineering courses. Please see the ICM course description for the minimum prerequisite requirement.
- **PHY 100** is pre-requisite for UTP II Physics and Engineering courses. Please see the ICM course description for the minimum prerequisite requirement.
- **ESR 100** and **ESW 100**- are strongly recommended. Students may take one of the two courses per term.

Extended International Year One Course List

Please note, all courses might not be offered every term.

- BUS 108 - Business Management
- COM 101 – Introduction to Computing
- CHM 100 - Basic Chemistry
- ECN 100 – Introduction to Economics
- ESR 100 - English Skills/Reading
- ESW 100 – English Skills/Writing
- HIS 105 – The Story of English
- MTH 099 – Introduction to Algebra
- MTH 103 - Foundations of Mathematics
- PHY 100 – Basic Physics
- POL 100 – Politics and Society
- PSY 101 – Foundations of Psychology & Wellness
- STT 101 – Introduction to Statistics
- SOC 105 – World Issues

Extended International Year One Program Planning Guide

International Year One (UTP Stage II) Arts Pathway

Transfer Requirement: 60% average (C average) in all subjects.

Required Courses

- ILS 100

Recommended Electives

- MTH 099 (C) and/or MTH 103
- ESR 100
- ESW 100

International Year One (UTP Stage II) Science Pathway

Transfer Requirement: 60% average (C average) in all subjects

Required

- ILS 100
- MTH 099 (C) and/or MTH 103

Recommended Electives

- CHM 100
- COM 101
- PHY 100
- ESR 100
- ESW 100

International Year One (UTP Stage II) Business Pathway

Transfer Requirement: 65% average (C average) in all subjects

Required

- ILS 100
- MTH 099 (C) and/or MTH 103

Recommended Electives

- BUS 108
- ECN 100
- STT 101
- ESR 100
- ESW 100

Extended International Year One Program Planning Guide

International Year One (UTP Stage II) Engineering Pathway

Transfer Requirement: 75% average (B+ average) CHM 100, PHY 100 and MTH 103

*Students need a minimum of 70% in each CHM 100, PHY 100 and MTH 103, and a 75% average in these three subjects.

Required

- ILS 100
- CHM 100
- MTH 099 (C)
- MTH 103
- PHY 100

Recommended Electives

- COM 101
- ESR 100
- ESW 100
- ECN 100
- POL 100

International Year One (UTP Stage II) Environment, Earth & Resources Pathway

Transfer Environment Requirement: 60% average (C average) in all subjects

Required

- ILS 100
- MTH 099 (C) and/or MTH 103

Recommended Electives

- CHM 100
- COM 101
- ESR 100
- ESW 100
- ECN 100
- PHY 100
- STT 101

International Year One (UTP Stage II) Faculty of Agriculture and Food Sciences Pathway

Transfer Requirement: 60% average (C average) in all subjects

Required

- ILS 100
- MTH 099 (C) and/or MTH 103
- CHM 100

Recommended Electives

- ESR 100
- ESW 100
- BUS 108
- ECN 100
- PSY 101
- STT 101

Extended International Year One Program Planning Guide

International Year One (UTP Stage II) Recreation Management & Community Development Pathway

Transfer Requirement: 60% average (C average) in all subjects

Required

- ILS 100
- MTH 099 (C) and/or MTH 103

Recommended Electives

- ESR 100
- ESW 100
- STT 101
- PSY 101

Foundation (UTP Stage I) Mixed Program

Required

- AES 100
- ILS 100
- MTH 099 (C) and/or MTH 103

Electives

Electives chosen will depend on your choice of International Year One (UTP Stage II) . Please see above pathways.
