- To complete ICM 30 unique credit hours. Best Ten GPA 2.0 is required (does not include failed/repeated courses).
- \*\* Note students must register in BOTH courses in consecutive semesters and will only receive credit for the course after completing PSYC 1200.
- CGPA includes all failed and/or repeated courses.
- Admission GPA required: Minimum 2.0 AGPA\* to be eligible. Selection is competitive and will be based on the applicant’s Adjusted Grade Point Average (AGPA) which will be calculated for each applicant. If a student has completed 24 to 30 credit hours of university or university equivalent work, the AGPA will be the student’s cumulative grade point average over the total university and/or college work determined to be equivalent to university level regardless of faculty or school completion. If a student has completed more than 30 credit hours of university work, then the AGPA will be calculated from the most recently completed 30 credit hours of university or university equivalent work.

Course Descriptions can be found in the **ICM Course Descriptions** file under Documents on your ICM Student Portal.

As announced by IRCC (Immigration, Refugees and Citizenship Canada), starting November 8, 2024, students must be enrolled in the designated learning institution (DLI) named on their study permit. To transition to UM, students will need to obtain a new study permit with the UM's DLI included by applying to extend their current one. Information about this process can be found on the [IRCC Website](#).

Additionally, ICM works with an Immigration Lawyer to provide a variety of immigration-related workshops and one-on-one consulting sessions to students, including sessions on how to apply to extend a study permit. Students will receive notice of these events through student communications and via Student Portal.
